

Use Your Skills for Good: Join VITA this Tax Season!

Every year, **Community Action Pioneer Valley's** Volunteer Income Tax Assistance (**VITA**) clinics provide **free tax preparation** to low-income residents of Hampshire and Franklin Counties at four sites from January to April.

Volunteers make this work possible.

We are in need of organized, kind, helpful volunteers who want to make the complex task of taxes easier and help people get back the money they deserve.

**Join Us,
It's Easy!**

Training provided.
No previous experience necessary.
